First Premium Grand and Square Pianos.

KNABE & GÆHLE. Manufacturers, Nos. 4, 6, 8; 9, and 11. Entaw street. Baltimore. New tritutes to the excellence of Baltimore made Piano Fortes. The Maryland Institute, at their last exhibition, awarded to us the First Premium for the best Grand Piano, and also the First Premium for the best Square Piano exhibited. It will be recollected that in 1848, our Piano also received the First Premium by the same Institute.

Such testimonials are not easily earned, and are not to be lightly regarded. We may therefore say that having taken the First Premium, wherever our Instruments met with competition, we offer them to the public with a confidence we might not otherwise avow, guaranteeing all Instruments made by us to give satisfaction, or they may be exchanged within six months from day of sale. The durability of our workmanship we forther guarantee for five years.

Having just completed large additions to our Manufactory, we hope now to supply all who may honor us with their patronage; and we invite all who desire a superior Instrument, carefully adapted to the climate—a very important matter, and which we have made our cureful study—to call and examine our various styles, which we are constantly finishing, and which will be sold at the lowest market price for cash or approved paper.

In addition to the above public testimonials, our Planos are recommended in terms of the highest praise by the following eminent artists, whose certificates can be seen at our Warerooms: Charles Bochsa, the great composer and musical director to Mad. A. Bishop; Mr. Geo. Knoop; Miss Adele and Charles Hohnstock, and other distinguished performers. To the many accomplished Professors and Amateurs, by whom our Planos are constantly used, whilst making our thankful acknowledgments to them, we refer for further testimonials.

hasty, disjointed, and necessarily imperfect records of the newspapers, and the elaborate and ponderous treaties to be furnished by the historian at a future day. Whoever reads these periodicals obtains a correct and connected ac-count of all the important political events of the Old World, as they occur, and learns, the various conclusions drawn from them by the léading spirits of the age. The American publishers therefore deem it proper to call re-newed attention to the works they publish, and the very low prices at which they are offered to subscribers. The following is their list, viz:

THE LONDON QUARTERLY REVIEW,
THE EDINGURGH REVIEW,
THE NORTH BRITISH REVIEW,
THE WESTMINSTER REVIEW, and
BLACKWOOD'S EDINBURGH MAGAZINE.

BLACKWOOD'S EDISBERGH MAGAZINE.

In these periodicals are contained the views, moderately though clearly and firmly expressed, of the three greatest parties in England—Terp. Whig, and Radical; "Blackwood" and the "London Quarterly" are Tory, the "Edinburgh Review" Whig, and the "Westminster Review" Edinburgh Review" Whig, and the "Westminster Review" Liberal. The "North British Review" owes its establishment to the last great coelesisated movement in Scotland, and is not ultra in its views on any one of the grand departments of human knowledge. It was originally edited by Dr. Chalmers, and now, since his death, is conducted by his son-in-law, Dr. Hamm, associated with Sir David Brewster. Its literary character is of the very highest order. The "Westminster," though reprinted under that title only is published in England under the title of the "Foreign Quarterly and Westminster," It being in fact a union of the two Reviews formerly published and reprinted under separate titles. It has therefore, the advantage, by this combination, of uniting in one work the best features of both, as herefore issued.

The above Periodicals are reprinted in New York, immediator, their parisal by the British decrease.
